Weekly Reflections

"The stone which the builders rejected has become the cornerstone." 1 Peter 2:7
Everyone is given unique gifts. Many people are able to recognize their talents and abilities, but there are many people who are unsure of their gifts. This may make them feel worthless. If you know someone who is struggling for a direction in life, give them a little encouragement. Help them discern how they might use their skills. No gift is too small or insignificant.

That we encourage those who are struggling to find direction in their life and help them discern how they might use their skills.
