Weekly Reflections

"And Jesus said to him, 'Go your way; your faith has made you well.' And immediately he received his sight and followed him on the way." (Mark 10:52)

Faith is believing in something even though you may not be able to see it. Many people think that miracles don't happen anymore. But, if you focus on the positive, not the negative, focus on your blessings instead of your hardships, miracles will seem common and you will see God's active presence in your daily life.

That we recognize all the gifts we are given and see God's active presence in our daily life.
